# LOOKING FOR A FASTER WAY TO GET MONEY FROM CHECKS?

## INTRODUCING EDEPOSIT REMOTE CAPTURE SOLUTION – YOUR CHECK IMAGE EXCHANGE

eDeposit is like bringing the bank's teller window to your business!

No more driving to the bank to make a deposit.

Capture money orders, consumer checks, cashier's checks and commercial checks electronically with a secure, accountable check processing system.

## POWERFUL BUT SIMPLE TECHNOLOGY ADDS UP TO BIG SAVINGS

Capturing checks electronically is the way to go. Just four years ago, no checks were being handled electronically. In 2004, more than 1 billion checks were scanned and safely processed electronically.

Interested in cost savings? Daily trips to the bank can eat into your time and profits. Now businesses with multiple locations can consolidate their bank deposits into one bank, even if they are not located near one of our offices.

No more filling out deposit slips by hand.

## YOUR ONE-STOP SOLUTION

eDeposit is a one-stop solution that includes electronic payment processing, online reporting and risk management services.

It doesn't matter if your customers find you in person or through the mail, eDeposit delivers a one-stop solution for all of your check processing needs.

## YOUR EDEPOSIT BENEFITS

With eDeposit, you can now scan and image your checks, eliminating a trip to your bank. Consider the possibilities:

- Receive funds faster
- Eliminate the need to take checks to your bank
- Enjoy later, daily deposit deadlines
- Offers speed, savings, convenience and security
- Find out about returned items quicker
- No need to purchase, install or maintain software
- Improves efficiency and profitability

## HERE'S HOW IT WORKS

It's a simple, fast four-step process:

1. Log onto the Internet to our secure eDeposit site.
2. Feed your check into this inexpensive scanner.

3. Enter the amount of the check.
4. Hit "submit."

That's it!

Each month your business is billed for transactions and a monthly access fee. It's that simple!
