Press Release

Minster Bank Adds Customer Convenience With MoneyPass®... The coast-to-coast, surcharge-free ATM network.

It's the small things that make a big difference in life—like access to an ever-growing network of ATMs in thousands of locations coast to coast. That's precisely the benefit of the MoneyPass ATM network and why Minster Bank participates in the MoneyPass network. MoneyPass gives you a nation of ATM choices. And each and every one is surcharge-free.

Even finding the MoneyPass ATM location nearest you is easy: Simply visit www.moneypass.com to access the MoneyPass ATM locator and the most convenient ATMs. If you have a Minster Bank VISA® Check card, you're ready to go. If you don't, apply for one today by visiting any Minster Bank branch location.

So go ahead. Start making life a bit less complicated and a lot more free. MoneyPass is your advantage, virtually everywhere you live, work and travel. It's great for college students, too!

Along with the new service, Minster Bank is introducing two new check cards—one card for consumers and one for small business owners. The newly designed cards are being mailed to customers in February and are to be activated by February 28, 2007.

Minster Bank, a local community bank, and a subsidiary of Minster Financial Corp., is headquartered in Minster, Ohio, and has offices located in Minster, New Bremen, Sidney, St. Marys, Troy and Wapakoneta.
