Community Shred Day makes a difference.

Minster Bank and Shred-it[®], the world's leading on site document destruction company sponsored a free Community Shred Day on April 12, 2008 at the Troy office of Minster Bank, 1280 Experiment Farm Rd., Troy.

A Shred-it mobile shredding truck was on site and destroyed the paper. The paper was then recycled. Over 6,000 pounds of paper was shredded and this resulted in 35 trees being saved.

As the fastest-growing form of fraud, identity theft and corporate espionage threatens to destroy personal credit ratings as well as a person's reputation and security. Governments and regulators around the world continue to develop legislation to help protect individuals and businesses. Prevention is the best solution-once the documents are shredded; they cannot be reassembled.

Minster Bank, a local community bank, and a subsidiary of Minster Financial Corp., is headquartered in Minster, Ohio, and has offices located in Minster, New Bremen, St. Marys, Wapakoneta, Sidney, and Troy. Visit www.minsterbank.com to learn more about Minster Bank.
